

DESIGN YOUR VERY OWN

Bauble

We're on the lookout for the shining star of baubles and challenge you to design your very own.

Think about the shapes, patterns and colours you will use, will you stick materials, fabrics or maybe even recycled objects to your bauble?

Print the page, let your imagination run wild and then upload a picture of your finished bauble.

We'll be sharing our favourites across our Facebook page, follow us [@churchwalkshoppingcentre](#)
